Happy Birthday Charlotte

6. F.N. 0.

I set out on a mission to find all the photos I have of you. Still downloading as I write this. It turns out that consolidating all your photos from all your sources and then analyzing and sorting, is a bit of a task. We shall see how far I get by the time it is your actual birthday; I certainly didn't make it by the time you were off to Denmark.

Have a lovely day with your family and friends and enjoy the hopefully co-operative Danish summer with all it's might.

Much love, Rikke & Otto
